The light behind the door  
Awakes my painful thoughts  
His tentacles of gold  
Caress my instant love

A sleepless night is gone  
Leave me without the force  
New sap of vital hope  
Feed my earthly form

Is it the light that calls me home?  
(The memory remains )  
Is it the memory I know?  
The call of the dawn, the secret unknown  
The call of the dawn, the sound I know  
The call of the dawn, the promise unknown  
The call of the dawn, the sound I know  
A smell of distant lands  
A colour from the north  
Is calling like a God  
Give my his secret law

I feel the tuneful voice  
Whisper to my pride  
It knows I'm not surprised  
To follow his recall

Is it the light that calls me home?  
(The memory remains )  
Is it the memory I know?  
The call of the dawn, the secret unknown  
The call of the dawn, the sound I know  
The call of the dawn, the promise unknown  
The call of the dawn, the sound I know
