I am the king of season
I am the air you breath
I am the seed you swallowed
I am the blood you bleed

I am the road your taking
And never know your on
I am the line your crossing
That never has been crossed

I am (four times)
The sea, the sky, the sand
I am (four times)
The rock on which you sand

And if I fall so shall you
Thee's no way 'round
No way through no way up
And no way down in or out
Just around and around

I am the king of season
I am oh yeah I am
I am (four times)
I am oh yeah I am
I am...yes I am...I
