Don't you know I never kiss and tell  
Don't you know that I never would  
Don't you know that I never kiss and tell

There you were in my mind  
You passed through from time to time  
I got a picture in my head  
Blured images of a love that's dead  
I walked away into the sun  
I may have lost you but i still won

Paint a picture set in stone  
Convince yourself that you'd rather be alone  
If you could see all the beauty left in me  
God it kills me sometimes

I walk away into the sun  
I may have lost you but i still won  
I walked away

In the back of my mind  
I'm counting all the time  
All the train cars  
It will be forever you and me  
Counting trains cars

As we go our separate ways  
The memories stay  
I won't give out, I won't give out

In the back of my mind  
I'm counting all the time  
All the train cars  
It will be forever you and me  
Counting trains cars

So I'm leaving you behind, leaving behind  
In the back of my mind
