[Intro: Woodie]

This Music Thang

I'm Doin' It For My Family And My Homies

Im Tryin' To Leave Some Cash In They Pockets Before I

Go

The Clock Is Tickin'

It's Just A Matter Of Time

[Chorus:]

If Enemies Lay Me Down To Sleep

I Pray To The Lord My So He'll Keep

When I Die In This Life Of Hate

I Pray To The Lord My Soul He'll Take

[Woodie:]

In This Life Of Sin

God Tell Me Where Do I Begin

I've Rejected You My Whole Life

But Now Im Listenin'

Accepted You As My Friend

My Heart Is Open Hopin' For A Change

But I' Still A Killer Inside

I Feel It In My Viens

Ain't Got The Stength To Rise Up Out

This Concrete Battlefield

Cuz I Still Feel The Urge To Kill

Cuz Snoop Still Ain't Got Outta Jail

Plus My Closest Homeboys Deceased

I Gotta Seek Revenge

But Who Do I Avenge

Sometimes I Catch Myself Overlookin' My True Friends

I'm Tryin' To See Through All The Lies And Decite

To Make Intelligant Decisions That'll Keep Me On My

Feet

But Evil Ways Make Me Stray And I Get Caught Up In

The Same Shit

Riskin' My Life To Represent So Enemies Know I'm

Dangerous

[Chorus: Woodie]

Livin' That Life, This Gangbangin' Done Took It's Toll
On The Outside I'm Fine But Inside I'm Outta Control
Tryin' To Stay Outta Prison But The Streets Persuade My
Goals

When I Lay Down To Die Will Good Or Evil Take My Soul
Livin' That Life, This Gangbangin' Done Took It's Toll
On The Outside I'm Fine But Inside I'm Outta Control
Tryin' To Stay Outta Prison But The Streets Persuade My
Goals

When I Lay Down To Die Will Good Or Evil Take My Soul

[Woodie:]

As I'm Sittin' In My Room
Oil'n Up My Strap I'm Thinkin' Back
On All The Different Pistols That I've Packed
All The Dirt That I've Done
With Different Weapons And Guns
And How Much Fun I Had When I Was Young
Earnin' My Striped One By One
They Added Up Sin
At The Scene I Didn't Realize It Then
But Now I Understand There's Consequences For Every
Action
Lord Could You Forgive Me For My Sins Up Till Today
But What If I Kill Again Tomorrow Does That Mean You
Feel Betrayed

Cuz I Can't Promise You, That I'll Do
What The Bible Tells Me Not To
If I Feel I Gots' To Ride
Im Goin' To Ride With Or Without You
No Disrespect Intended
Don't Take Me For Satan's Child
Cuz 5-0 Got My Dirty Deeds
Gathered Up In The Gang Files

Look At My Loyalty
The Love That I Got For My Family
If Anybody Could
I Know You Would Understand Me
So When They Call My Number
And I Take My Final Breathe And Die
Please Forgive Me For My Sins
And Let My Soul Rise To The Sky

[Chorus: Woodie]

Livin' That Life, This Gangbangin' Done Took It's Toll
On The Outside I'm Fine But Inside I'm Outta Control
Tryin' To Stay Outta Prison But The Streets Persuade My
Goals
When I Lay Down To Die Will Good Or Evil Take My Soul

Livin' That Life, This Gangbangin' Done Took It's Toll
On The Outside I'm Fine But Inside I'm Outta Control
Tryin' To Stay Outta Prison But The Streets Persuade My
Goals
When I Lay Down To Die Will Good Or Evil Take My Soul

[Chorus:]

If Enemies Lay Me Down To Sleep
I Pray To The Lord My So He'll Keep
When I Die In This Life Of Hate
I Pray To The Lord My Soul He'll Take

[Woodie:]

I Live'd Another Day
Now It's Time To Live Another Night
I Take It Minute By Minute
And Hope Somehow I Do It Right
I Gotta Fight To Keep Hope Alive
That Snoop Will Get Released
But It's The Red-Suited Beast
That Gets' The Blue Suited Police

Societies Already Got Us Marked
As Killers, Dealers, And Thugs
Gangbangers Shoot'n Them Slugs
Drug Dealers Movin' Them Drugs
Ain't No Love On This Side Of The Tracks
That's Why Criminals Run In Packs
Who'else Gonna Have Our Motherfuckin' Backs

You Think Our President Ain't A Sinner
He's The Cruelist Of All
He's The One, Killin' The Innocent With Missles And
Bombs
While We Just
Up In The Street Tryin' To Maintain Human Nature
That Have Enemies So We Gangbang

Lord If You Could Shed Any Light Up On This Life Of
Mine
I'd Be Willing To Listen To You At The Drop Of A Dime
Because Im Suicidal At Times
And At Times Im Homicidal
Livin' On The Borderline
Damper My Chances Of Survival

[Chorus: Woodie]

Livin' That Life, This Gangbangin' Done Took It's Toll
On The Outside I'm Fine But Inside I'm Outta Control
Tryin' To Stay Outta Prison But The Streets Persuade My
Goals

When I Lay Down To Die Will Good Or Evil Take My Soul
Livin' That Life, This Gangbangin' Done Took It's Toll
On The Outside I'm Fine But Inside I'm Outta Control
Tryin' To Stay Outta Prison But The Streets Persuade My
Goals

When I Lay Down To Die Will Good Or Evil Take My Soul
Livin' That Life, This Gangbangin' Done Took It's Toll
On The Outside I'm Fine But Inside I'm Outta Control
Tryin' To Stay Outta Prison But The Streets Persuade My
Goals

When I Lay Down To Die Will Good Or Evil Take My Soul

Lord, I Got A Question
Will You Fogive Me For My Sins If I Don't Regret 'em
Cuz Sometimes No Matter How Hard I Try, I Feel No
Remorse

I Feel I Had To Do What I Had To Do
But Then Again
Maybe It's Just The Old-E Numbin' The Pain
I Dunno
'but Send Blackbird My Love

[Chorus:]
If Enemies Lay Me Down To Sleep
I Pray To The Lord My So He'll Keep
When I Die In This Life Of Hate
I Pray To The Lord My Soul He'll Take
