We dug this hole for ourselves, but we'll gladly bury  
you instead  
After having sacrificed yourselves, by standing in our  
way

I can hold the Iron Grudge, like a fist!  
I can hold the Iron Grudge, for as long as I live

Can you feel the hatred, from your fellow man?  
Can you see his ignorance? Unfortunately I can.

There's nothing more to say. There's nothing to  
discuss.  
Enough words have already been heard. Enough  
deeds, been done.  
You are not a mystery to us. We know exactly who you  
are.  
And for as long as you might live, you are dead to us.  
We dug this hole for ourselves, but we'll gladly bury  
you instead  
After having sacrificed yourselves, by standing in our  
way

I can hold the Iron Grudge, like a fist!  
I can hold the Iron Grudge, for as long as I live

Can you feel the envy, from you fellow man?  
Can you see his ignorance? Unfortunately I can.

There's nothing more to say. There's nothing to  
discuss.  
For I can see the fear in your eyes as you try to act  
tough  
And as we rise up from the muck, we are filled with  
disgust (even more)  
To realize that you ever thought, you were in the same  
league as us  
We dug this hole for ourselves, but we'll gladly bury  
you instead  
After having sacrificed yourselves, by standing in our  
way

I can hold the Iron Grudge, like a fist!  
I can hold the Iron Grudge, and never lose my grip

I'm not your stepping-stone, I'm not your fucking  
crutch.  
And for as long as you might live, I can hold the Iron  
Grudge!

I can hold the Iron Grudge!  
Long live the Iron Grudge!

So go ahead and waste your time, it will keep you  
further behind!  
Suffer!
