Vers I walked into the room
and I saw you standing there
there's like Im here by a storm
I think youve been spinned around

Bridge I am lost in paradise
dreamin when I'd close my eyes
you give me such a look
and now you got me on the hook

Ref Uhh ohh uhh ohh gotta go home tonight
with you by my side, baby
gotta go home tonight,
tonight is the night
gotta go home tonight
are you ready to rock steady
gotta go home tonight
tonight is my night yeah i yeah

Keys

Vers As the feeling goes by
we are standing side by side
and when it's time to breake up
we still haven't got enough

Bridge I am lost in paradise
dreamin when I'd close my eyes
you give me such a look
and now you got me on the hook

Ref Uhh ohh uhh ohh gotta go home tonight
with you by my side, baby
gotta go home tonight,
tonight is the night like lovers do
gotta go home tonight
are you ready to rock steady
gotta go home tonight
tonight is my night

gotta go home tonight with you by my side
there is nothing in this world I wouldn't do
that look in your eyes

don't say a word cause I know
I gotta go home with you

Git/Keys Solo

Ref 2x Uhh ohh uhh ohh gotta go home tonight
with you by my side, baby
gotta go home tonight,
tonight is the night like lovers do
gotta go home tonight
are you ready to rock steady
gotta go home tonight
tonight is my night
