Hypnotize, hypnotize, hypnotize
Laugh till we cry
Hypnotize, hypnotize, hypnotize
Laugh till we cry

Safely dodging lover's lasso
Give in, give in, give in
Matter how they try and pass you
Give in, give in, give in
Matter how you try and figure
Give in, give in, give in
Everyday it just gets bigger
Give in, give in, give in

Give in, give in, give in, give in
Give in, give in, give in, give in
Give in, give in, give in, give in
Give in, give in, give in

Invisible star sing me to sleep
Telling secrets, sing me to sleep
Sing me to sleep
Invisible star sing me to sleep
Telling secrets, sing me to sleep
Sing me to sleep

And i've stopped drinking
And smoking
And eating
And breathing
So i should be pure, i know
I should be pure
Pure
Pure
Pure
