(Words & music: William J. Raskin / George Brown (Billy Hill) / Fred Fisher)

If you find your sweetheart in the arms of a friend
That's when your heartaches begin
When dreams of a lifetime must come to an end
That's when your heartaches begin.

Love is a thing you never can share
When you bring a friend into your love affair
That's the end of your sweetheart
That's the end of your friend
That's when your heartaches begin.

If you find your sweetheart in the arms of your best
friend, your brother
That's, that's when your heartaches begin.
And you know, when all your dreams, when all your
dreams of a lifetime
Must, must all come to an end
Yeah thats, that's when your heartaches begin.

Are you still in love is a thing that you never can share
And you know, when you bring a friend into your love
affair.

That's the end of your sweetheart
That's the end of your friend
Well, that's when your heartaches begin.
