Visit "[Water And Sleep](#)" on MotoLyrics.com

Water come up from the ocean
Water come right up the street
Water come up to the edge of my bed
Water come up while i sleep

I'll wait for sleep
Leave salt on my sheets
Salt on my sheets

By stars navigate
Dreams anticipate
By night it's too late
To try and not think about it

I'm visible
I'm invisible
The moon it is full
It pulls back and forth

I'll wait for sleep
To take me again
Take me again

The ocean side
Roller coaster rides
Please tell me why
They're all closed for the season
The rivers rise
The wells run dry
Water it tries
To swell and make it's mark

I'll wait for sleep
Leave salt on my sheets
Salt on my sheets

Ready for water
Ready for the sea
Dried out from water
Tired out from sleep

Get inside of water

Get inside of sleep
Get inside the things you do
Get inside of me
(repeat)
