I want the whole world
To know that
I only have eyes for you
I want the whole world
To know that
I only have eyes for you
I don't nobody
To have my love but you
You'll be home cookin' dinner or
Strollin' down the avenue
You'll be home cookin' dinner or
Strollin' down the avenue
If my love comes down
I come running smack dab to you
When it comes to you, baby
I'm just a natural goof
When it comes to you, baby
I'm just a natural goof
I don't nobody
To have my love but you
Some guys grab the first chick

That passes by

Others like a gal put a twinkle in her eye

Some like a gal 'cause she's so nice and kind

But I love you, baby

Because you're mine all mine, oh yeah

I only have eyes for you

Oh yeah, I only have eyes for you

I don't nobody

To have my love but you
