I know you feel it You can't resist the easy sway Don't try to fight it Cos you can't hide it anyway Just the music helps me To escape and you can do the same Close your eyes and you can Step inside of another plaaaaaace

Get up! And don't you stop When you're feelin hot You can't get enough [x4]

Now I got you movin And we got the groovin nice and sweet Get ya head back noddin And the movin's startin in your feet Don't let go, no no Let it take you on the easy flow Now you're in the zone just Turn off the phone and let it groooooooow

Get up! And don't you stop When you're feelin hot You can't get enough [x4]
