Love come down upon us till you flow like water
Burning with the hope of insight
Feathered, look they're covered with a bright elation
Stolen in the sight of love

CHORUS

We are we are we are
but your children
Finding our way around indecision
We are we are we are
Rather helpless
Take us forever
A whisper to a scream

Birds fly
In the eyes of the faithless daughter
Broken
At the bitter end
Wasted
Sacrificed for a new nirvana
Nighttime sends us on our way

CHORUS

We are we are we are
But your children
Finding our way around indecision
We are we are we are
Rather helpless
Take us forever
A whisper to a scream

A whisper to a scream
A whisper to a scream
A whisper to a scream
A whisper to a scream

repeat chorus to fade
