Flowers grow best on top of mass graves
Come and see the beauty...

Flowers grow best on top of mass graves
Come and see the beauty of inhumanity

Come and see...
Come and see the beauty...

Flowers for the Cheka's political liquidations
Flowers for the funeral wreaths of a quarter million
dead
Flowers for the Nazi's barbaric Barbarossa
Flowers for a memorial to children burned alive

Flowers grow best on top of mass graves
Come and see the beauty of inhumanity
