This is written in the dark days  
When there is evil in the air  
We have waited a thousand years  
For this eternal night

This awesome dusk  
Of the last human day  
The imminence of apocalypse  
Rightfully seeds our dreams

At least one thousand years  
For this eternal night  
This awesome dusk  
Of the last human day

I think the look of the world is a lie  
A grotesque fucking face made up  
Over graves and fiery depths  
And nothing else is true

This wretched fucking world is a lie  
And nothing else is fucking true  
But what is horrible  
But what is horrible
