A look at the horror, of the pimps of war
Their weapons whore, just who wields the missile-cock?
And even punks scream for sanctioned slaughter
Wholesale murder, suck the butcher's missile cock

I remember back in '84
When punks opposed all fucking war
A nuclear threat knocked at our door
But still, a punk was a fucking punk

You sang 'guns for the Afghan rebels'
Well now those rebels are your devils
America's ego leveled
I thought this was the fucking point

Punks wrapped up in fucking flags
I'd like to wrap you up in body bags
Take your fucking toe tags
And add them to the list of traitors

When did this patriotic pox
Start infecting our punk rock?
Cops and jocks with mohawks
Sucking on the missile cock
