Hello this is Dr.Dre. I'm not in right now, but if you leave  
your name  
and number at the sound of the beep. I'll be sure to  
give you a call as  
soon as I return]

[beep]

[Hello, Dre, this is Patricia. My husband's out of town  
and I was won-  
dering...Do you make housecalls ?]

Ridin in my car alone not doin anything  
Stopped the answering service because I knew my  
phone would ring  
Heard it ring once so I picked it up and said 'hello'  
It's Dr.Dre, baby, not your average gigolo

[CHORUS:]

Coz I make housecalls, it's Dr.Dre the maniac  
Housecalls, the human aphrodisiac  
I love those housecalls to the girls that's all alone  
Housecalls, when your husband's not at home

It's a quarter after two, I said I'd show around three  
Her husband's out of town and she would like some  
surgery  
Stopped at the stores so I could get a little wine  
but all they had was Thunderbird 1979  
So I left the store, got in my car, drove to her house  
and then  
knocked on the door and heard this sexy voice that  
said 'come in'  
Opened the door to see what I got from this housecall  
Tall, dark and lovely, 5 ft 8 in a camisole

[CHORUS 2x]

Now my name is Dre, 6 ft tall with weavy hair  
The one that comes around when your man just doesn't  
care  
So if ya feelin sexy late at night and you're all alone  
just think about the doctor, pick up the telephone

[CHORUS 2x]

[Hello this is Dr.Dre. I'm not in right now, but if you  
leave your name  
and number at the sound of the beep. I'll be sure to  
give you a call as  
soon as I return]
