I'm Dr. Dre gorgeous hunk of a man

Doing tricks on the mix like no others can

The nurses say I'm cute, they say i'm fine

but you betta beware cuz' i'll blow your mind

I'll take you to my car I'll take you to my home

ans up and down your body my finger will roam

The nurses say that I'm nasty they say that I'm mean

But when you come to my pad your guaranteed to scream

AHAHAHAHAHAHAHA
