Just woke up, it's day 10
It still hurts, right back then
Tears like rain, flood my bed
Can't erase, what I did

This is what I get for,
Telling you I don't need you around
What a lie(?)
And this is what I get for thinking
There was ever someone better in my life

Chorus
And it's all kinds of wrong!... Without you
I can't Breathe!... when you're gone
Don't know what to do
Now, the best of me, is lost, in a memory
And it's all kinds of wrong!... Without you

If I had one my try,
No more games, No more lies
Missing you, is a Lonely ride,
Feel More Dead, than alive
This is what I get for,
Telling you to pack your things and just get out
And this is what I get for, Pushing you away now
No ones going to bail me out!

And it's all kinds of wrong!... Without you
I can't Breathe!... when you're gone
Don't know what to do
Now, the best of me, is lost, in a memory
And it's all kinds of wrong!... Without you

Want you back, by my side
I want back, what was right
I know I should be strong,
It's time for me to move on
But this all feels so wrong...

And it's all kinds of wrong!... Without you
I can't Breathe!... when you're gone

Don't know what to do
Now, the best of me, is lost, in a memory
And it's all kinds of wrong!... Without you

Now, the best of me, is lost, in a memory
It's all kinds of wrong!... Without you
