10:28 on the digital clock  
I know it's late but I  
Just can't stop  
All this jumpin' around  
All this wastin' time  
It's getting to be a habit of mine  
You would think that I didn't wanna get paid  
I'm not the type to procrastinate  
But a girl can't always be well behaved

#### CHORUS

I wanna stay home with my headphones on  
With the stuff on the floor  
And the lock on my door  
I lost my keys in the mess I made  
So I can't go anywhere anyway  
So rock on  
With my headphones on

Got a lot of nothin' to do  
I'm not getting it done  
And I'm loving it too  
24 hours since I've been outside  
But it feels okay  
It feels alright  
I could go to school another day  
Don't understand why I dance all day  
You know what they say about  
All work & no play

(Chorus)

With the headphones on  
It's like fireworks in my head  
Above the clouds  
I may never get to bed  
Can't turn back now  
Don't wanna come down  
You would think I didn't wanna get paid  
I'm not the type to procrastinate  
But a girl can't always be well behaved

I wanna stay home with my headphones on  
With the stuff on the floor  
And the lock on my door  
I lost my keys in the mess I made  
So I can't go anywhere anyway  
I wanna stay home with my headphones on  
With the stuff on the floor  
And the lock on my door  
I lost my keys in the mess I made  
So I can't go anywhere anyway  
Rock on  
With the headphones on  
With the headphones on  
With the headphones on
