In 5, 4, 3, 2
I know you see
Some how the world will change for me
And be so wonderful
Live life
Breath air
I know some how we're gonna get there
And feel so wonderful
It's all for-reaal
I'm tellin you just how I feel
So wake up the members of my nation
It's your time to be
There's no chance unless you take one
Everytime
Just see the brighter side
Of every situation
Somethings are meant to be
So gimme your best
And leave the rest to me
Leave it all to me (leave it all to me)
Leave it all to me
Just leave it all to me
