Sunshine, Sunshine, Raining, Sunshine  
When you think all hope is gone  
There's a place somewhere beyond  
Take a chance and realize  
It's right before your very eyes

Leave the Dark clouds far behind  
And step outside, the weather's fine

It's raining sunshine,  
It's raining sunshine  
All over mankind  
It's raining sunshine

As real as it can be,  
Believe in what you see  
Not just in your mind  
It's raining sunshine

Sunshine, Sunshine, Raining, Sunshine  
Sunshine, Sunshine, Raining, Sunshine

Somethin's in the atmosphere,  
Don't be scared of what you fear.  
Look around, the storm has passed,  
Just hurricanes of happiness.

Raise up your umbrellas high,  
And stand beneath, the clear blue sky

It's raining sunshine  
It's raining sunshine  
All over mankind  
It's raining sunshine

As real as it can be  
Believe in what you see  
Not just in your mind  
It's raining sunshine

Too many wonders to explain

Rays of sunlight, drops of rain  
Coming down from up above  
Cloudy with a chance of love

Can't you feel it in the air?  
Sweet sensations everywhere  
Whatever weather is in store,  
Bring it on, because I want more

Sunshine, Sunshine, Raining, Sunshine  
Sunshine, Sunshine, Raining, Sunshine

It's raining sunshine  
It's raining sunshine  
All over mankind  
It's raining sunshine

As real as it can be  
Believe in what you see...  
It's not just in your mind,  
It's raining sunshine
