Ommmm Shanty Town  
Ommmm Shanty Town  
Welcome to the K-Mart Tribal Ballet  
It all started in a small town in South Africa  
called Johannesburg  
And quickly spread through the first world,  
Third World, fourth dimension  
And seventh heaven  
Forever and ever Amen  
My body is bread in a holy war  
Change Change Change Change  
My body is love in a holy store  
Your body is God and I want some more now  
Your body is money and I'm spending it now  
Kick your own ass Now Now  
Kick your sweet ass Now  
No pride No fear No shame  
Your body never lies  
No guilt No sin No blame  
Your body never lies  
No grudge No spite No greed  
Your body never lies  
No gloom No doom No doubt  
Your body never lies  
The K-Mart Tribal Ballet all started  
When I was only 10 years old  
And I was in a K-Mart  
In Johannesburg, South Africa  
This was not a dream  
This was completely real  
I was in the only K-Mart  
In Johannesburg, South Africa  
And I could not find my mother  
And the blue light was flashing  
And my head was spinning  
And I could hardly breathe  
And everywhere I turned  
There were white white white people  
And sickly sweet smells  
And the white white white saleslady  
Was in my face snarling  
Can I help you Can I help you

Can I help you Can I help you  
And I was out of luck  
But just when I thought  
That I could not go on  
I looked up into the blue light flashing  
And I saw a vision  
Of the Wild Black Virgin of Johannesburg  
And she looked down at me and said  
HONEY, KICK YOUR OWN ASS
