Holy holy holy holy
God of euphoria
I own all the garbage in America
I'm President of Infomania
So give me what i want
Exactly when i want it
Forever now once upon a time
I wanna use my nightmares
To get rich and famous now
I want to brainwash my own brain
Don't want to be told how
More original sins
And more beautiful pain
Find the treasure in the trash
And sing in the acid rain
So give me what i want
Exactly when i want it
Forever now once upon a time
Holy holy holy holy
God of America
I want a new mania
That tells better lies than the media
I want my own satellite
World Entertainment War every night
Live on prime time no commercials
This is just a dress rehearsal
Greater glories yet to come
A golden age thy will be done
On earth as it is in 7-11
Don't want to have to go to heaven
Heaven must come down to earth
This is my prayer for what it's worth
Give me what i want
Exactly when i want it
Forever now once upon a time
Holy holy holy holy
God of female ecstasy
To show my love for Mother Earth
I hug the trees and eat the dirt
Now i demand a woman chief
Of the USA and MTV
Women got to be on top

In the bed or on the job
Give me what i want
Exactly when i want it
Forever now once upon a time

God you're great and god you're good
And i thank you for this mood
Grant me this unselfish wish
Everybody in the world gets a satellite dish
Choose from half a billion stations
Truly sexy information
Not the tease-and-frustrate kind
Of i, me, my, mine
But a genuine democracy
Where people vote for ecstasy
And April Fool's comes every day
Give me liberty or give me Chevrolet
Legal highs not legal lows
Everybody gets a crazy horoscope
Global warming in my pants
All the monsters learn to dance
Turn the whole world upside down
Help me god i don't know how
Give me what i want
Exactly when i want it
Forever now once upon a time
Give us what we want
Exactly when we want it
Forever now once upon a time
