MIDNIGHT IN VENICE

[IN ITALIAN WITH TRANSLATION]

Lei pensa di essere innamorata di lui  
Ma e' soltanto innamorata dell' amore  
Innamorata di essere amata  
Innamorata dell' affetto  
Innamorata della passione  
Innamorata della luna  
Innamorata della notte  
E' innamorata soltanto perche'  
E' mezzanotte in Venezia

she thinks she is in love with him  
but she is only in love with love  
in love with being loved  
in love with romance  
in love with passion  
in love with the moon  
in love with the night  
she is only in love because it is  
Midnight in Venice
