

## **Worse Than You "Excuses"**

Don't care about what you said  
Don't care about what you did  
Don't give a damn about all your excuses

Now we're falling down  
now I'm calling out  
that I don't wanna see you  
don't wanna see you anymore

If you always look down on me  
you won't remember the time  
when you weren't so bitchy and phoney

Now I'll make my own mess  
What could you second-guess  
I confess to hating all of this shit  
Let's find our way out  
from this minefield  
couse we will both get hurt if

we hadn't already

If you always look down on me  
you won't remember the time  
when you weren't so bitchy and phoney

If you always look down on me  
you won't remember the time  
when you weren't so bitchy and phoney

If you always look down on me  
you won't remember the time  
when you weren't so bitchy and phoney

If you try to take me down  
you'll get everything that I've got  
We will give a hell of a battle
