Spreading aids on the masses
Humankind Zyklon B addiKtion

Keep on selling cocaine to angels
Sterile sperm in your cunt
Keep on selling cocaine to angels
Crush newborn foetus for nihilist glory

Terrorist action on man weakness
Don't believe the lies of philanthropy

Keep on selling cocaine to angels
Napalm injection through your veins
Keep on selling cocaine to angels
Even your soul be perverted

Gas mask suffocation

... and doom will reign supreme
