How sweet to hold a brand new baby  
And feel the pride and joy He brings  
But better still the calm assurance  
Our boy can face uncertain days because He lives

Because He lives, I can face tomorrow  
Because He lives, all fear is gone  
Because I know He holds the future  
And life is worth a living, just because He lives

And then one day I'll cross the river  
I'll fight life's final war with pain  
And then, as death gives way to victory  
I'll see the lights of glory and I'll know He reigns

Because He lives, I can face tomorrow  
Because He lives, all fear is gone  
Because I know He holds the future  
And life is worth a living, just because He lives  
Our life is worth a living, just because He lives
