Did you oh, man
Give horse his might?
And did you oh, man
Clothe his neck with mane?

He rushes out
To meet the sword
He laughs at fear
And is not dismayed, hey

Lay hand to mouth
Spoken once
I have no answer
Lay hand to mouth
Spoken twice
I will say no more

In fierceness and rage
He paws at the ground
He smells the battle from afar
He turns not back
From its thunderous sound

Lay hand to mouth
Spoken once
You have no answer
Lay hand to mouth
Spoken twice
And say no more

He stands alight
The flames of a clear eye
We ride from here on
To his kingdom of ice

He stands alight
He stands alight
We ride from here on
To his kingdom of ice
