

Wovenhand "Quiet Nights Of Quiet Stars"

Visit "[Quiet Nights Of Quiet Stars](#)" on MotoLyrics.com

Quiet nights of quiet stars
Quiet chords from my guitar
Floating on the silence
That surrounds us

Quiet thoughts and quiet dreams
Quiet walks by quiet streams
And a window looking on the
Mountains and the sea, how lovely

This is where I want to be
Here with you so close to me
Until the final flicker of life's ember

I, who was lost and lonely
Believing life was only
A bitter tragic joke
Have found with you
The meaning of existence, my love

I, who was lost and lonely
Believing life was only
A bitter tragic joke
Have found with you
The meaning of existence, oh my love
Oh my love
