Dreaming lightly on your own  
I wouldn't mind you being alone  
Nothing here has been the same  
Ever since this winter came  
Seized the engine in my heart  
And the cold could break my soul apart  
Frozen on my knees i pray  
Love will melt this all away  
Dreaming lightly on my own  
I wouldn't mind to be alone  
I'm freezing  
Dreaming lightly on your own  
I wouldn't mind you being alone  
Thought i may have spoke too soon  
Now confusion fogs the moon  
Dying for a yes or no  
Life is full of maybe so's  
Anything to break the ice  
Love would more than just suffice  
Dreaming lightly on my own  
I wouldn't mind to be alone  
I'm freezing
