Let's have a walk on the love side
On the love side
Let me lead and let you slide
Please let you slide
Let me put you to the test
And I'll give you the best
Free your mind and let you slide
Let you slide inside

My Lovarium, my Lovarium
Another kind of pleasure
(All you need is love)
No time to lose, to kiss you dreams my love
(Welcome to my)
My Lovarium, my Lovarium
My love
Do you want to be mine in my...
(Welcome to my...)

Open your dream for a long glide
For a long glide
Close you eyes and lose your mind
Please lose your mind
Maybe you won't leave intact
Our love contact
Don' be afraid and lose you mind
Lose your mind in my

My Lovarium, my Lovarium
Another kind of pleasure
(All you need is love)
No time to lose, to kiss you dreams my love
(Welcome to my)
My Lovarium, my Lovarium
My love
Do you want to be mine in my...

(Welcome to my...)
