Yo Wreckx-N-Effect  
In full effect!  
(Burn it up!)

[Verse 1]

It's the New Jack Swing  
Was it something wrong that she can clean?  
All you gotta do is c'mon and sing  
Word for word, all the lyrics that I bring  
And if you feel the swing in your body  
When you step in cool inside a party  
Watching all the girls just bumping like hotties  
They have humps that's better than Ferrari's  
So I gotta try these  
Dancing with a girl on my lap  
I was chancing, hoping she was the type for romancing  
But my rap needed a little enhancing  
Because this girl needed some answering  
Nothing I said, I started to complain and turning red  
Then I told her just to be about Ted  
She gave a wink  
But can't believe a thing about the New Jack Swing

Chorus:

[singers in background]  
Can't believe a thing about the New Jack Swing

[Verse 2]

1-2-3 I named it New Jack Swing  
Yes, T.R., is my name  
Making you girls, do my thing  
It's the way, I entertain, baby  
I'm on the beat you like  
Yes, that's right, it's outta sight  
All the bumps are very high  
Yes, T.R. is grooving it right  
I got Keith Sweat, Heavy D.  
To-day, Mo Dee  
B. Sure, and my man Bobby Brown  
I got Cinnamon, Redhead  
Boy George, James

Deejay, and my hooome-booooy Guy

[Chorus - singers sing in background and Teddy "yep-yep"-ing ]

Can't believe a thing about the New Jack Swing  
(burn it up!)

[Verse 3]

Back to the matter, The New Jack Swing  
It's the sound that can flatter  
Even if the sound around town doesn't give a  
Same type of feeling that this one delivers  
So your body shivers  
So bad, so dope big metal thing you wish you had  
Bumping your feeling from glad to sad  
But your not getting offensive  
Just chill and get whipped by the New Jack Swing

Chorus:

[singers in background]

Can't believe a thing about the New Jack Swing
