Yeah all the girls around me  
Some pissed and some just drowsy  
Let me tell you about London, eh?  
It's a bit of a shit hole, but lets just party till the day.

Hey babe, come bounce wiv me, it's not a suggestion,  
it's an order.  
Move that sexy booty, never stop movin' keep going, dj  
don't stop playin'  
Those records.

Get some Tiquilla down you, makes you loose and  
that's how I wanna be wiv  
You.

Hey babe, come bounce wiv me, it's not a suggestion,  
it's an order.  
Move that sexy booty, never stop movin' keep going, dj  
don't stop playin'  
Those records.

1 oclock 2 3 4 oclock, all hours partyin' never take a  
break unless it's  
For another shot. Keep pumpin' keep shakin' keep  
kissin' keep  
T... t... t... ttt touchin' k... k... k... kkk keep flirtin'
