

Wretched "Why Bother"

Yeah it's 6:47 and I don't want to move today
I want to sleep the day away
Just like I planed on doing yesterday
And I feel like today's going to suck worse than the day
before
And I'm not going to get anywhere so why should I
bother

My alarm went off at 7:00
I kind of figured there was no point
So I cut it off and I laid there staring at the posters on
my wall
And I laid there waiting for you to call
And I feel like this day's going to repeat itself over and
over again
So why should I bother

Finally got out of bed at 2:38
And I forgot what today was
I got a little scared I was going to be late
But never mind I forgot about your date
The day flew by

It's 11:00 and I should've call you today
But I figured you'd be somewhere else
Hanging out with some one else
So why bother...
