C'mon Jericho,
You know I gotya, yeah
Break the walls down
Break down the walls
For there was a patch of Rock
Of what you what
Baby you know you're Jewish
And I 'm your priest,
Baby all I've got love is from the beast,
Bring it from the stage in the rage of the beast,
Step into you're arena and
Break the walls down
Step into you're arena and
Break the walls down

Awaken from a deep sleep,
Your whole week,
You're livin' in the agony of defeat,
I am the cat that haunt your whole week,
And I am the cat that flocked you like sheep,
Step into the jail and break the walls down
You're heartbeat is the only sound.
Step into the light and then you'll know
You will stop and drop for the walls of Jericho

What you gonna do, Jericho, coming down, you feel me
now?
Hun? Break the walls down, Jericho
For there was a patch of Rock
Set the trap,
For there was a chance to jump,
I won't go
For there was the best cure,
Watch me slow
Break Down the walls of Jericho
