The truth it's a basic thuganomics

We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics

Prepare for the worst we comin' thunderin' opposition  
wonderin'  
How they get the drop on us we set up and lock corners  
try to put  
A stop on us we react so quick the 50 couldn't even call  
the cops on us  
Steady put the rocks on us but my chain stay still, still

Stay real spit the flame they feel I no the game take  
skill that why  
The brains stay ill we 'bout to change the deal keep the  
champagne

Chilled we sippin'? With a molly rose y'all belly meatin'

Nothing but bologna foes your phony flows we stopping

Don't got to like us but you gon respect us  
motherfucker

Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics

I'm raining fire like apache helicopters

We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc

Listen baby I'm just tryin' to eat it's the same game that  
put  
Chain gang in the street got goons with a few hundred  
clips  
In the heat it's the same sex violence and money dyin'

Goddamn I'm a fan it's music move me I found writhing  
rhymes  
Was soothing don't lose me never let the truth allude  
me the skills  
I respect I expect you Dolly some got gifts man but  
reflect it crudely

That why I keep it real like rejected movies what now  
and no what was  
Or would be only sing along if you understood me the  
seen hip hop  
Dawg ain't were it could be trademark will take y'all  
right where  
It should be you actors that's where it stops you stars  
on stage  
Y'all adecrative props what now

Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics  
I'm raining fire like apache helicopters

We fight together we ride together  
Right now we gonna get loud together  
Chain gang is the click it's Trademarc  
The truth it's a basic thuganomics

Look man my voice Cristen in beats your vision see  
ripples  
On concrete for glisten heat whenever I speak I walk  
streets?

The chain gang spittin' the same slang let the iron go

And came man let the church bells ring ring to all y'all

The lot let it hang hang

Y'all think we lucky that ain't nothin' new to me 'cause  
Luck is preparation lockin' heads with opportunity  
So far I just had to listen and learn play my position and  
earn  
With the vision and burn, now the shit is all turned and  
I'm  
Reppin' for pride where I'm from you either step up or  
step aside  
Want some get some stop drop and parallel chain
