Sweet julie looks so sad
She says her chest aches so bad
She can't breath at all
Breath
But I know what's good for her
She needs recovering
On a cool-down cure
Cure

Sweet julie works so hard
She's a professional cage-danser
In amsterdam
And I know what's good for her
To come to senses and gain some weight
On a cool-down cure
Cure

She looks so down and sorry
Me and her will sleep in late
But life's a different story
Me and her we need a break
