MAKE SOME NOISE!!! X-PAC!
Think you can tell us what to do?
Think you can tell us what to wear?
you think you better? (Yeaaaaah)
Well you better get ready to bow to the master

SSSUCK IT!!!
Degenerate into something fool
I just got tired, of doin' what you told me to do
But that's the breaks boy (Yeaaaaah)
That's the breaks little man

Tell it
X-Pac, puttin' more minds to a stop
Speak my mind,
I keep it rockin' the bottom line

Suck it!
Two tears in a bucket
And then another thing
I'm not the one they'll try their luck with
Hit hard like brass knuckles
See your face through the turnbuckle dude
I got no love for you

MAKE SOME NOISE!!!

Degeneration X
Who's gonna kick you're ass?
Degeneration X
Make some noise!!! (Chorus x2)

Feel good, destroy you and your boys
Mother mother make some noise
That's even if you're paranoid

Blind still
Things fly
Keep it rockin'
Tell someone how it feels
And then you'll know the deal

One of the illest that never half-stepped
I demolish opponents and knock out the ref
X-Pac

I'm gonna kick your ass

X-Pac

What I wanna be
That's what I wanna be
To be someone else
Put it away
Put it away like a book on a shelf that you can't read

(Chorus)
