I'm back
And I'm better than ever
Got a nack
For making things better
Face facts
Cause your opinion don't matter
This maniac
is gonna step on whomever
this time, get in line
cause I'm gonna make some changes
kicking ass
taking names, treating household babies
I'm burning out the tab
burning down time
your in my way so get your ass in line.......
All the talk
they say that I've lost it
but talk me down
and i say it's gonna cost ya
but now I'm back
the boss of you morons
to never count me out is one thing you can count on
this time get in line cause I'm gonna make some
changes
kicking ass
taking names, treating household babies
I'm burning out the tab
burning down time
your in my way so get your ass in the $\qquad$
