(Evolution)

Evolution is a mystery
Full of change that no one sees
Clock makes a fool of history

Yesterday's too long ago
Don't agree with what I know
Tomorrow comes the place to be

I see the light in the sand
Time to find out who I am
Looking back to see where I stand
Evolution, Evolution

See my reflection change
Nothing ever stays the same
But u know the names the game
We don't know what it means
Nothing's ever what it seems
Unforgiven, unforseen

Evolution, Evolution

Nothing's ever what it seems

Evolution, Evolution

Evolution is a mystery
Full of change that no one sees
Clock makes a fool of history
Yesterday's too long ago
Don't agree with what I know
Tomorrow comes the place to be

I see the light in the sane
Time to find out, who i am
Looking back to see where I stand
Evolution, Evolution

See my reflection change

Nothing ever stay the same (Fade out)
