I dedicate this record the carnival to all you brothers
takin long trips
Down south, virginia, balitmore all round the world and
your girl gets
This message that you aint commin' back, she sittin
back in her room, da
Lights is off, she's cryin, and then my voice comes in
(pow) and this is
What i tell her for you

CHORUS

Every time i make a run, girl you turn around and cry, i
ask myself why
Oh why, see you must understand i can't work a 9 to 5,
so I'll be gone til
November, said I'll be gone till november I'll be gone till
november, you
Tell my girl yo i be gone till november, I'll be gone till
november ill
Be gone til november, you tell my girl yo I'll be gone till
november,
January, february, march, april, may, i see you cryin but
girl i cant
Stay I'll be gone till november, I'll be gone till
november... and give a
Kiss to my motha..

When i come back there be no time to clock, I'll have
enough money to buy
Out the glocks, tell my brotha go to school in
september so he wont mess
Up in summer school in da summer, tell my cousin
jerry wear his condom
If you don't wear condom you see a red line oh oo oo
you sucka M.C.s you
Got no flow i heard ya style you so so

CHORUS

I had to flick nothin and turn it in to somethin, hip hop

turns to the
Future of rock when i smash a pumpkin (bing) committ
treason now i have
A reason to hunt you down it's only right it's rappers
season, yea you
With the loud voice posin like your top choice, i make a
hertz out of
Ya rolls royce, besides i got my girl to remember and i
committed that
Ill be back in november.
