TIME TO PLAY THE GAME....

It's all about the game, and how u play it  
It's all about control, and if u can take it  
It's all about your debt, and if u can pay it  
It's all about pain, and who's gonna make it

I am the game u dont wanna play me  
I am control no way u can shake me  
I am heavy debt no way u can pay me  
I am the pain you cant make me  
here we go  
look over your shoulder ready to run like a coyling bitch  
from a smoking gun i am the game and i make the  
rules so move on out or you can die like a fool  
fool

try to figure out what my moves gonna be  
come on over son an why dont you ask me  
Dont ever forget theres a price you can pay  
cause i am the game and I WANT TO PLAY

{Guitar solo}

Time to play the game.  
Time to play the game.

It's all about the game, and how u play it  
It's all about control, and if u can take it  
It's all about your debt, and if u can pay it  
It's all about pain, and who's gonna make it

I am the game u dont wanna play me  
I am control no way u can shake me  
I am your debt and I know way u cant pay me  
I am the pain and I know you cant take me

To play the game your gonna be the same  
Your gonna change your name your gonna die in  
flames

time to play the game (5x)
