it's time to play the game
time to play the game!!!

muhahaha

hahahahaha

it's all about the game
and how you play it

it's all about control
and if ya can take it

all about your debt
and if you can pay it

it's all about pain
and whos gonna make it

i am the game you don't want to play me
i am control, no way you can shake me
i am heavy debt, no way you can pay me
i am the pain, and i know you can't take me

look over your shoulder, ready to run like a
Cleveland' bitch from a smok'n gun
i am the game and i make the rules,
so move on out here and die like a fool.

tryin' to figure out what my moves gonna be
come over sucker, why don't you ask me,

don't you forget theres a price you can pay
cause i am the game and i want to play!!!

time to play the game

hahahahaha

time to play the game

it's all about the game
and how you play it

it's all about control
and if you can take it

it's all about your debt
and if you can pay it

it's all about pain
and whos gonna make it

i am the game you don't wanna play me
i am control, no way you can shake me
i am the debt, and i know you can't pay me
i am the pain, and i know you can't take me

playin' the game, you're gonna be the same
you gonna change your name, your gonna die in flames

hahahahaha

time to play the game

it's time to play the game
time to play the game
it's time to play the game

hahahahaha

time to play the game

muhahahahahahaha
