Viva la raza.....
I Lie, I Cheat, I Steal
I Lie, I Cheat, I Steal

Mamacita I got the passion that sat for long
I fall in love with the lacking term
One woman isn't enough amigo
siempre recojiendo mas mujeres por que somos
latinos
Hey, I'm tougher than tough calling you buff cause
I lie I cheat I steal
I lie I cheat I steal
I don't care if you like me, Everybody wants to fight me
Can You feel It?
Hey, oyelo clarowe i aint the one you want to meet
no ay nada mas caliente
i'm too hot for you
Latino heat

I can't be weak
coming from the streets at the ghetto
at the end of the week I get to keep your dinero
your fast asleep
when I sneak in your casa
your life sucks when your bankrupt
and I laugh, trust me

I Lie, I Cheat, I Steal
I Lie, I Cheat, I Steal

CAN YOU FEEL THE HEAT?
If you're not cheating you're not trying
