I'm back,  
And I'm better than ever.  
Got a knack,  
For makin' things better.  
Face facts,  
Cuz your opinion don't matter.  
This maniac  
Is gonna step on whomever.

It's time, get in line, cuz I'm gonna make some  
changes.  
Kickin' ass, cleanin' house of all the babies.  
I'm burnin' down the deadwood, burnin down time.  
This is all in my way, so get your ass in line.

Up top,  
They say that I've lost it.  
But talk me down,  
and I swear it's gonna cost ya.  
Now I'm back,  
The boss of you morons.  
To never count me out  
Is one thing you can count on.

It's time, get in line, cuz I'm gonna make some  
changes.  
Kickin' ass, cleanin' house of all the babies.  
I'm burnin' down the deadwood, burnin down time.  
This is all in my way, so get your ass in line.
