W/ Ivy Queen

[Samples from Hot Chocolate's "You Sexy Thing"  
Played throughout]

I believe in miracles  
Where you from?  
You sexy thing (you sexy thing, you)  
I believe in miracles  
Since you came along  
You sexy thing

[Wyclef]  
Uno, dos (check it out), tres, cuatro  
I woke up in a dream, Wyclef and Ivy Queen  
Drinkin with your Hennessy, you spit on Louis the XIII  
I ain't tipsy but C-O-P stopped me  
Cause I'm with Omar, a Puerto Rican with a Lamborghini  
Ole, ole but this ain't a bullfight  
Late at night, I'm gonna bring the fright of Poltergeist  
Looked at me through the shades,  
Tried to play me like a hermit  
I looked at Omar and said, "Yo pass me my gun  
permit"

[Ivy Queen]  
Todas las culturas se unen esta vez  
Representando los Boricuas junto a Wyclef  
Queena es mi nombre el original Borinquen  
De tal manera demuestro como, so come again

[Chorus]  
Yes, Queena, de que es al pa' ahÃ  
Que no se olvide de quÃ© es la ley  
Vamos celebrar en el tola y va cantando  
Y combate lo que me pertenece

[Wyclef]  
Hey where you from Ivy Queen?

[Ivy Queen]

Puerto Rico, One time!

[Wyclef]

Hey yo all my thug cats, back to the crime  
Hey where you from Ivy Queen?

[Ivy Queen]

Puerto Rico, One time!

[Samples from beginning]

[Wyclef]

He looked at my permit and said, "Get out the car"  
I'm about to bring the earth, wind, and fire life from  
Shining Star  
Looked at him bizarre, I said, "Hell no"  
The music got tense in a place called el barrio

[Ivy Queen]

Representan no de maneras, man  
No hay colo-nias que nos detengan  
La-tinos, vengan, siempre sobresalen  
A los americanos demostrando lo que saben  
Come again, yeah

[Chorus x2]

[Wyclef]

Ivy Queen, there was no one around the street  
Was like ghost town, six cop cars, one black, one Porto  
Rican  
I ain't a shook one, so I got out the car  
I close my eyes, son, I'm waitin for police to blast one

[Ivy Queen]

Te digo lo que ?, demuestro lo que doy  
A (yeah) todos los hermanos habrÃan pasos te voy  
Que no dejes, que no crees que vengo esta vez  
La Queena, una vez mÃas, para hacer lasos entender

[Chorus x2]

[Wyclef]

Yo, check the story, I thought I was dead (Oh shit)  
Here comes Ivy, in a black Beemer  
Pumpin this in my Rivera  
Cast the guns, this ain't salsa  
It ain't? That's the Macarena  
Cause when I looked at the cop badges, I saw no  
number  
How do I know if he's an imposter?

I'm 'bout to feed him to the lobsters  
And take him shoppin to the Bahamas, and hide with  
mobsters

[Ivy Queen]

? ay

Que a mÃ me puedan tumbar, ay

Ya yo soy la Reina y te lo vine a demostrar

Man, libra, que los Latinos son high, high

? son del medio ?

Te digo lo que ?, demostrÃ© lo que doy

Gracias a JesÃs Cristo, siempre tengo el control

Ya lo ves, no sabes, tienes que entender

La ciudad viene dura, ya ves con Wyclef

[Samples from beginning]
