I'll never see any side of heaven.
I'll walk for miles through a blazin hell.
It doesn't matter what you think I'm supposed to be.
'Cause I myself know all too well.

I'll open your eyes and make you see.
I'm the king of my world. (king of my world)
I'll break down the walls around you now.
I'm the king of my world. (king of my world)
I'll break down the walls around you.
(the walls of jericho)
(break the walls of jericho)

My mind alone is filled with rage for you.
I am the pastor to your sheep.
I am the master of my destiny.
I am the king of all you see.

(king)
I'll open your eyes and make you see.
I'm the king of my world. (king of my world)
I'll break down the walls around you now.
I'm the king of my world. (king of my world)
I'll break down the walls around you.
(the walls of jericho)

3...2...1 Here I come again, come again
3...2...1 Here I come, here I come again
3...2...1 Here I come again, here i come
3...2...1 Here I come, HERE I COME!!

I'm the king of my world. (king of my world)
I'll break down the walls around you now.
I'm the king of my world. (king of my world)
I'll break down the walls around you.

I'm the king of my world. (king of my world)
I'll break down the walls around you.

The Walls Of Jericho!
Break The Walls Of Jericho!

Jericho all around
