Check, check, check, check... out my melody
Special...

You think you're special, you do
I can see it in your eyes
I can see it when you laugh at me
Look down on me
You walk around on me

Just one more fight about your leadership
And I will straight up
Leave your shit
Cause I've had enough of this
And now I'm pissed
Yeah ...

This time I'm 'a let it all come out
This time I'm 'a stand up and shout
I'm 'a do things my way
It's my way
My way, or the highway
This time I'm 'a let it all come out
This time I'm 'a stand up and shout
I'm 'a do things my way
It's my way
My way, or the highway

Check, check, check, check.. out my melody

Just one more fight about a lot of things
And I will give up everything
To be on my own again
Free again
Yeah...

This time I'm 'a let it all come out
This time I'm 'a stand up and shout
I'm 'a do things my way
It's my way
My way, or the highway
This time I'm 'a let it all come out
This time I'm 'a stand up and shout

I'm 'a do things my way
It's my way
My way, or the highway

Some day you'll see things my way
Cause you never know
Where, you never know
Where you're gonna go

Check, check, check, check... out my melody

Just one more fight and I'll be history
Yes I will straight up
Leave your shit
And you'll be the one who's left
Missing me
Yeah ...

This time I'm 'a let it all come out
This time I'm 'a stand up and shout
I'm 'a do things my way
It's my way
My way, or the highway

Some day you'll see things my way
Cause you never know
Where, you never know
Where you're gonna go

Check out, check, check... out my melody
