

## WWE John Cena & Trademarc "No Holds Barred Theme"

Visit "[No Holds Barred Theme](#)" on MotoLyrics.com

you only learn where you are inside  
when life gives you the test  
will you back down, turn and run  
or stand up with the best

when your backs to the wall  
what will your answer be  
will you run for the door  
will you run out on me  
life gets hard  
it's no holds bared(no holds bared)

most people only know the easy way  
they'll always close their eyes  
will you make the same excuses  
will you buy into their lies

what will you do  
what are you going to say  
will you measure up  
when people make it so hard (so hard)  
It's no Holds bared(no holds bared)

you have to stand your ground when someone is  
standin' in your way  
you have to be the stronger man each and every day

\*solo\*

I looked at you and see what you've been through  
and it's all because of me  
brother you know you make me proud  
you give me something to believe  
but it's my turn now  
I won't let you down  
gonna make things rights  
turn it all around  
love goes far(so far)  
when it's no holds barred(no holds bared)

but it's my turn now

I won't let you down  
gonna make things right  
turn it all around  
love goes far(so far)  
when it's no holds barred(no holds bared)
