Are you ready?
Yeah you think you can tell us what to do?
You think you can tell us what to wear?
You think that you're better?
Well you better get ready...
To bow to the masters...
BREAK IT DOWN

Degenerate into something fool,
We just got tired, of doin' what you told us to do
But that's the breaks boy (Yeah)
That's the breaks little man
Break it down

D-Generation X!

Degeneration!

You think you can tell me what to do?
You know who you're talkin' to?
Well you better get used to the way the ball bounces,
You do what you got,
It measures in ounces,
But that's the breaks boy (Yeah)
That's the breaks little man
Break it down

D-Generation X!

Degeneration!

You think you're a big man?
I'll treat you like you're a little man

Yo, tell me what it's like, to be half a man
And must it break your heart, to see what I am BUT
That's the breaks boy
That's the breaks little man
Break it down

D-Generation X!

Degeneration!

You think you can tell me what to do?
You know who you're talkin' to?

Wanted me to be someone else
You can be like a book on a shelf
That you can't read boy (Yeah)
That you can't read little man
Break it down
